Webinar on ePIC for industry users

Conclusions & Key messages

26 August 2014

Chiara Macchi
Dossier Submission & PIC Unit (C1)
European Chemicals Agency

Key messages (1/2)

- EDEXIM was closed down on Friday 22 August
- There is *no system* available between 22 August and 2 September; during this time, ECHA is processing all notifications and performing the final steps of data migration to ePIC
- ePIC will go live on 2 September and will be the only processing system for all PIC tasks
- EDEXIM will be available in read-only mode until 30 November with your old credentials (if you wish to verify the migrated data)

Key messages (2/2)

- ePIC will be accessible from ECHA's homepage: http://echa.europa.eu/

- If you wish to contact ECHA use the dedicated Helpdesk form at:

http://echa.europa.eu/contact/helpdesk-contact-form

This is for questions related to:

- Logging into ePIC
- Data migration
- Your submissions
- …

→ Please do NOT contact ECHA using the PIC functional mailbox

Next steps

- When ePIC goes live, the following supporting documents will also be available to you (from the ECHA website):

  - A fully-comprehensive IT user manual

  - An FAQ document

  - Draft guidance (which is still undergoing the consultation process but may still prove useful): http://echa.europa.eu/documents/10162/21683107/pic_guidance_draft_msc_201408_en.pdf

Practical info on the webinar

- The webinar ends now

- You will no longer be able to submit new questions, but we will answer your pending questions for the next **60 minutes**

- You will be automatically redirected to an evaluation form – please take five minutes to give us your feedback

Thank you
