

Core member of a Biocidal Products Committee Working Group

Working Group (tick as appropriate):	
Efficacy	<input type="checkbox"/>
Analytical Methods and Physico-chemical Properties	<input type="checkbox"/>
Human Health	<input checked="" type="checkbox"/>
Environment	<input type="checkbox"/>

1. Name (FAMILY NAME, First Name)

- Niki Arapaki Ms. / Mr

2. Nominated by (MSCA):

- Greece (Benaki Phytopathological Institute)

3. Nationality:

- Hellenic

4. Education:

- 2004-2006: Master of science in Chemistry, National Kapodistrian University of Athens, Department of Chemistry, Greece
- 2000-2004: Bachelor of Science in Chemistry, National Kapodistrian University of Athens, Department of Chemistry, Greece

5. Relevant Employment

Present & Relevant previous employment:

- 13/03/2007-today: Regulatory Toxicologist at Laboratory of Pesticides Toxicology, Benaki Phytopathological Institute (BPI)

6. Relevant fields of in-depth expertise:
--

Area of expertise	Description
Regulatory toxicology	<ul style="list-style-type: none"> • Evaluation of mammalian toxicology data and participation in the preparation of Draft Assessment Reports (DARs) and Competent Authority Reports (CARs) in the frame of E.U. Legislation • Participation in the preparation of comments on DARs and CARs prepared by other M-S and on the classification and labeling of dangerous substances and preparations according to the EU Legislation • Evaluation of mammalian toxicology data and preparation of Registration Reports in the frame of the Zonal and National Authorization of plant protection products • Toxicology expert and national representative in the Pesticide Risk Assessment Peer Review (PRAPeR) meetings organized by the European Food Safety Authority (EFSA)

7. Membership of relevant professional bodies:

- European Registered Toxicologist (ERT)
- Hellenic Chemical Society

- Member of the Greek Society of Toxicology
- Included in EFSA's expert database

8. Other Relevant Information:

oOo
