EUCLEF data

EUCLEF data (relevant substance lists/information connected to the regulatory frameworks listed on the EUCLEF landing page) is supplied to ECHA by Verisk 3E Europe Aps. The direct commercial sale of EUCLEF data is prohibited. Use for non-commercial purposes and/or regulatory compliance is allowed.

ECHA gives no guarantees and/or warranties pertaining to the correctness and/or usability of EUCLEF data, see Section 1 of the legal notice. Any use and/or reliance of this information falls under the sole responsibility of the user.

EUCLEF helpdesk service

A helpdesk service has been established, allowing parties to receive both regulatory and technical information connected to EUCLEF.

Regulatory questions are currently being processed and handled by the European Commission. ECHA accepts no responsibility and/or liability whatsoever in this regard.

Equally, any use and/or reliance of information, be it regulatory or technical in nature, received from this service falls under the sole responsibility of the user.

ECHA will transmit EUCLEF regulatory questions to the European Commission through unsecure means. Inquirers are therefore asked not to provide confidential information in their inquiries. ECHA does not accept any responsibility and/or liability whatsoever in this regard.
