

**REGISTERED ACCREDITED STAKEHOLDER ORGANISATIONS
 REGARDED AS FULFILLING THE ELIGIBILITY CRITERIA
 AND INVITED TO PARTICIPATE IN WORK
 OF THE MEMBER STATE COMMITTEE¹²**

Name	Description of activities as indicated in their application form	Interest in ECHA's activities ³	Main interest presented
Part 1 – Organisations that MSC agreed to be invited as MSC regular observers (organisations representing a large group of industry or other general interest)			
European Chemical Industry Council (CEPIC)	Represent Chemicals Industry at European level	Forum, HD, MSC , RAC, Guidance, SEAC	Industry: Chemicals industry
European Council of producers and importers of paints, printing inks and artists' colours (CEPE)⁴	EU Trade Association representing paint, printing inks and artists' colours manufacturers from most of EU Member States	RAC, SEAC, MSC , RCN, Guidance, HD	Environment, health, science, industry: Paints, printing inks & artists' colours
International Chemical Secretariat (ChemSec)⁵	Serves as an open forum for parties working for a more effective chemical control.	MSC , Forum, Guidance	Open forum for parties working for a more effective chemical control
Client Earth⁶	European environmental organisation of activist lawyers working on a wide range of EU environmental and health legislation and regulation.	RAC, SEAC, MSC , Forum, Guidance	Environment, Health & Safety, Access to Justice and Transparency
Oil companies' European organisation for environment, health and safety (CONCAWE)	The oil companies' European organisation for environment, health and safety	HD, MSC , RAC, Guidance, SEAC	Industry: Mineral oil refinery industry (downstream)
European Association of Chemical Distributors (FECC)⁵	Represents the interest of the European chemical distribution and trading industry. Its membership includes both national associations and companies throughout Europe	Forum, HD, MSC , Guidance, Other activities: Workshops, seminars and dissemination of information	Trade, Industry: chemical distribution

¹ The total number of ASO observers' seats is 14 (as MSC has 28 members, i.e. 50% is 14 observer seats) which is divided in the following quotas: 7 seats assigned to the Industry quota (incl. General Interest/Sectorial Industry Organisations) and 7 seats assigned to the NGOs & trade unions quota (incl. trade unions, Environmental and Human health NGOs and Animal Welfare NGOs)

² In line with the General approach on the admission of observers from ECHA's accredited stakeholder organisations to the work of the Member State Committee:

http://echa.europa.eu/documents/10162/13578/general_approach_aso_in_msc_work_en.pdf

³ RCN = Risk Communication Network, HD = Helpdesk (HelpNet) activities

⁴ CEPE and FECC are invited to follow MSC work by applying a rotative participation in MSC meetings for one observer seat allocated to "Industry" quota

⁵ Environmental and Health Care NGOs (ChemSec, Client Earth, EEB, Greenpeace, HEAL, Health Care without harm Europe and Women in Europe for Common Future) are invited to follow MSC work by applying a rotative participation in MSC meetings for the four observer seats allocated for "ENV&HH NGOs" quota

Name	Description of activities as indicated in their application form	Interest in ECHA's activities ³	Main interest presented
Part 1 – Organisations that MSC agreed to be invited as MSC regular observers (organisations representing a large group of industry or other general interest)			
European Coalition to End Animal Experiments (ECEAE)⁷	Large coalition of European organisations campaigning peacefully against animal experiments	Forum, HD, MSC , RAC, Guidance, RCN, SEAC	Animal welfare
European Environmental Bureau (EEB)⁶	EEB works to promote the development of effective environmental legislation at the European level, as well as acting as a watchdog on implementation	Forum, RAC, MSC , Guidance, RCN, SEAC	Environment
Eurogroup for Animals⁶	Animal welfare organisation recognised by the European Parliament and the Commission as representing animal welfare interest in many EU advisory committees and consultation bodies.	MSC , RAC, Guidance	Animal Welfare
European Trade Union Confederation (ETUC)	Promote the common interests of workers at EU level	Forum, HD, MSC , RAC, Guidance, RCN, SEAC, Other activities: ECHA's relation with the Advisory Committee on Safety, Hygiene and Health Protection at work	Workers
European Association of the Metals Industry (Eurometaux)	Representing the EU non Ferrous industry towards EU and international Bodies in all fields of policy and legislation	Forum, HD, MSC , RAC, Guidance, SEAC	Trade, Industry
Greenpeace International⁶	An independent global campaigning organisation that acts to change attitudes and behaviour, to protect and conserve the environment and to promote peace	MSC , RAC, Guidance, SEAC	Environment
Health and Environmental Alliance (HEAL)⁶	Improve public health via environmental policies	MSC , RAC, Guidance, SEAC	Health, Consumers, Science, Environment
Health Care without harm Europe (HCWH)⁶	The main purpose of HCWH's work is to drive the healthcare sector across Europe to become environmentally sustainable and no longer a source of harm to the environment and ultimately to human health.	MSC , RAC, Guidance, BPC	Human Health
The Humane Society International (HSI)⁷	One of the world's largest animal protection organisations. HSI is recognised in science-based policy work for the advancement of the '3Rs' in animal testing, and has been an influential player on a number of EU regulatory dossiers.	MSC , Guidance	Animal Welfare

⁶ Animal Welfare NGOs (ECEAE, Eurogroup for Animals, PISC and HSI) are invited to follow MSC work but providing two observer seats allocated for "Animal Welfare NGOs" quota in the meetings.

Name	Description of activities as indicated in their application form	Interest in ECHA's activities ³	Main interest presented
Part 1 – Organisations that MSC agreed to be invited as MSC regular observers (organisations representing a large group of industry or other general interest)			
Only Representatives Organization Aisbl (ORO)	Trade association of mostly 'external' Only Representatives. They represent companies from most non-EU countries in the world and take over the REACH obligations from importers based in every single EU member State.	RAC, SEAC, MSC , Forum, Guidance, HelpNet, RCN	Only Representative Service Providers
Peta International Science Consortium (PISC)⁷	PISC seeks to minimise animal testing for REACH by providing scientific and technical expertise in the use of non-animal methods and developing/promoting opportunities to reduce animal use in the context of ECHA's work and of member states and registrants.	MSC , RAC, BPC, Forum, Guidance	Animal Welfare
The European Association of Craft, Small and Medium-sized Enterprises (UEAPME)	Representation of interests of crafts and SMEs to the EU	RAC, SEAC, MSC	Industry (SMEs)
Women in Europe for Common Future (WECF)⁶	Safe chemicals for a toxic-free future for women and children	RAC, MSC , SEAC Guidance	Consumers, environment, health, trade union, science, industry: In view of REACH --> products With hazardous chemicals
Part 2 – Organisations that MSC agreed to be invited as occasional observers (organisations representing specific industry sector or other specific interest)			
European Automobile Manufacturers' Association (ACEA)	European Car Manufacturers' Association	Forum, MSC , RAC, Guidance, SEAC	Transport industry
Association of Manufacturers and Formulators of Enzyme Products (AMFEP)	Having great interest in registration under REACH, implementation of CLP and biocidal product regulations, AMFEP is naturally very keen on being closely involved in the ECHA bodies and networks to be able to receive first-hand information regarding latest regulatory developments impacting our products as well as to be able to provide our specific and very rare expertise when requested.	MSC , BPC, Guidance, HelpNet, RCN	Enzyme products
Aqua Europa AISBL	Aqua Europa is the representative body for the supply chain of the European water and wastewater industry and consists of national trade bodies within the EU (plus the Water Quality Association of America as an Associate Member).	RAC, MSC , BPC, Guidance	Environment, Water industry

Name	Description of activities as indicated in their application form	Interest in ECHA's activities ³	Main interest presented
Part 1 – Organisations that MSC agreed to be invited as MSC regular observers (organisations representing a large group of industry or other general interest)			
	In all, it represents some 1 700 companies in 13 associations.		
Aerospace and Defence Industries Association of Europe (ASD)	Industry association	MSC , RAC, Guidance, RCN, SEAC	Aerospace and Defence Industries
Association de l'Aviculture, de l'Industrie et du Commerce de Volailles dans les Pays de l'Union Européenne asbl (AVEC)	a.v.e.c.'s mission is to defend the interests of the poultry processors and the poultry export and import trade in the EU as well as protecting their rights and functions. The issues a.v.e.c. is dealing with relate to animal health and welfare, food safety, public health, labelling and (food) information to consumers, sustainability and international trade. Reinforcing the contacts between the member organisations and the national authorities and institutions of the European Union is essential.	MSC , BPC	Animal welfare, Environment, Health & Safety, Trade union, poultry meat industry
Bureau of International recycling (BIR)	The Bureau of International Recycling (BIR) is the only global recycling industry association representing around 800 companies and 35 affiliated national recycling federations from 70 different countries. Its members are world leaders in the supply of raw materials and a key pillar for sustainable economic development.	MSC , Guidance	Environment, Trade, Industry
Confederation of European Business (BusinessEurope)	Members are central industrial and employers federations from 33 countries working together to achieve growth and competitiveness in Europe. Promotes actively the role of Business in Europe.	Forum, HD, MSC , RAC, Guidance, RCN, SEAC	Trade, Industry
European Sugar Industry (CEFS)	Represent the interests of all sugar producers in the EU	RAC, SEAC, MSC , Forum	Sugar Industry
European Cement Association (CEMBUREAU)	Representing the interests of the European cement industry	Forum, HD, MSC , Guidance	Cement Industry
European Ceramic Industry Association (Cerame-Unie)	Representing the interests of the European ceramic industry	RAC, SEAC, MSC , Forum, Helpdesk activities, RCN, Update of Guidance	Ceramic industry
European Committee for Surface Treatment (CETS)	Supply of technology, chemicals and paint products to the surface treatment industry	RAC, MSC	

Name	Description of activities as indicated in their application form	Interest in ECHA's activities ³	Main interest presented
Part 1 – Organisations that MSC agreed to be invited as MSC regular observers (organisations representing a large group of industry or other general interest)			
The European Association of Automotive Suppliers (CLEPA)	To represent and defend the interests of its members	RCN, Guidance, HD, MSC	Industry, Trade
Digital Europe	Voice of the European digital technology industry	Forum, MSC , RAC, SEAC, Guidance	Industry, Trade
European Centre for Ecotoxicology and Toxicology of Chemicals (ECETOC)	Promotion of quality science in the risk assessment of chemicals	Any consultation where MS expertise on health and environment could be useful; MSC , RAC, Guidance	Health, Consumers, Environment, Animal Welfare, Science, Industry: producers and users of chemical products
Federation of European Toxicologists & European Societies of Toxicology (EUROTOX)	The mission of EUROTOX is to advance human, environmental and animal health by being the leading voice of toxicology in Europe	MSC , RAC, Guidance	Science, Health
European Copper Institute (ECI)	Represents the copper industry in Europe as part of the Copper Alliance, an international network of trade associations, a global platform whose mission is to work with their members to defend and grow markets for copper, based on its superior technical performance and its contribution to a higher quality of life.	RAC, SEAC, MSC , BPC, Forum, RCN, Guidance	Environment, Health & Safety, Trade union, Copper
European Consensus Platform for 3R Alternatives to Animal Experimentation (ECOPA)	ECOPA platform represents Government and regulatory authorities, Academia, Industry, Animal protection and welfare organisations. The aims of ECOPA are to facilitate the exchange of scientific information, expertise and experience between national consensus platforms to enhance implementation of refinement, reduction and replacement in the EU and worldwide.	RAC, MSC , Forum, RCN, Guidance	Animal welfare, Health & Safety, Science & Technology, Cosmetic, Chemicals, Pharmaceutical
European Crop Protection Association (ECPA)	Representing the interests of the crop protection industry at EU-level	Forum, RAC, Guidance, MSC	Trade, Industry: Crop protection industry
European Federation of Allergy and Airways Diseases Patients' Association (EFA)	EFA represents patients with allergy, asthma, COPD and believes that patients' representatives should get involved to improve patients' quality of life. EFA develops and promotes long-term partnership with health professionals and scientists, industry and third sector organisations active in health,	MSC	Environment, Health & Safety (activities concerning exposure to harmful chemical substances with direct impact on quality of daily life of patients with chronic diseases)

Name	Description of activities as indicated in their application form	Interest in ECHA's activities ³	Main interest presented
Part 1 – Organisations that MSC agreed to be invited as MSC regular observers (organisations representing a large group of industry or other general interest)			
	consumption and environment matters to ensure a holistic approach to policy changes		
European DIY Retail Association (EDRA)	EDRA is an international organisation representing home improvement retailers across the globe.	RAC, MSC , BPC, HelpNet, Guidance	Retailing
European Electronic Component Manufacturers Association (EECA)	EECA is representing the European Semiconductor Industry Association (ESIA) and European Passive Component industry association (EPCIA). EECA acts as a sector umbrella representative organisation to the EU Commission, Parliament and Member states and EU agencies.	RAC, SEAC, MSC , Guidance	Semiconductors, Passive components
European Federation of Concrete Admixture Associations (EFCA)	Acts as the official representative of the European admixture industry when approaching authorities, institutions or other competent bodies in European and at International level.	RAC, SEAC, MSC , BPC, RCN, Guidance	Cement
European Federation of Essential Oils (EFEO)	Representation of interest of traders and producers of essential oils i.a. used for fragrances/cosmetics and other industrial uses.	RAC, MSC , Forum, RCN, HelpNet, Guidance	Trade and production of essential oils
European Federation for Cosmetic Ingredients (EFfCI)	Represents the European manufacturers of chemicals and natural ingredients for the cosmetics industry.	RAC, SEAC, MSC , BPC, Guidance	Cosmetics
European Ferrous Recovery & Recycling Federation (EFR)	The European Engineering Industries Association	Forum, HD, MSC , RAC, Guidance, SEAC	Mechanical, Electrical, Electronic, Metalworking and Metal articles Industry
European Precious Metals Federation aisbl (EPMF)	EPMF's REACH Consortium is the main interlocutor between registrants of precious metals and rhenium and their compounds and would hence be among the representatives of the sector if one or the other item related to these substances would appear on the Agenda of one of ECHA's committees/ guidance document reviews. We understand however that places are scarce and hence work a lot via Eurométaux too.	RAC, SEAC, MSC , PEG	Precious Metals
European Plastics Converters (EuPC)	Professional Association of the European Plastics Converters	HD, RAC, Guidance, MSC	Plastics Converting industry

Name	Description of activities as indicated in their application form	Interest in ECHA's activities ³	Main interest presented
Part 1 – Organisations that MSC agreed to be invited as MSC regular observers (organisations representing a large group of industry or other general interest)			
European Apparel and Textile Organisation (EURATEX)	Representing the European Apparel and textile Industry	SEAC, MSC , FORUM, RCN, Guidance, HD	Industry
European Metal Trade and Recycling Federation (Eurometrec)	European metal trade and recycling federation representing the interests of non-ferrous scrap metal collectors, processors and traders	MSC , Update of Guidance	Environment, Trade, Industry
European Wood Preservative Manufacturers Group (EWPM)	EWPM recognises that wood is the most sustainable building material and that protection of wood in situations where it would otherwise decay and its service life be too short for economic use is important for the socio-economic well-being of the EU and its citizens. By working with ECHA bodies and networks EWPM's ability to support and promote best practices will be enhanced.	RAC, SEAC, MSC , BPC, Forum, PEG, HelpNet, RCN, REACH, CLP, Biocides, PIC	Wood
Association of European Adhesives and Sealants Manufacturers (FEICA)	Representation and advocating on behalf of the European adhesives and sealants industry	RAC, SEAC, MSC	Industry
Federation Europeenne des fabricants de produits abrasifs (FEPA)	Non-profit organisation representing the European abrasives industry	Forum, HD, MSC , RAC, Guidance, RCN, SEAC	Abrasives industry
Fertilizers Europe	Non-profit association representing the majority of fertilizer producers in Europe	RAC, MSC , SEAC, Forum, Guidance	Fertilizers
European Atomic Forum (FORATOM)	FORATOM is a trade association for the nuclear energy in Europe. Its main purpose is to promote the use of nuclear energy in Europe representing the interests of this important and multi-faceted industrial sector.	RAC, SEAC, MSC	Nuclear energy
Foreign Trade Association (FTA)	FTA has concrete knowledge on how substances are used in supply chains and in products by relying on the expertise of quality managers from almost 1900 retailers, brand-owners and importers.	RAC, SEAC, MSC , Forum, Guidance	Consumers, Environment, Trade
International Fragrance Association (IFRA)	Represents the collective interests of the fragrance industry. As a global network IFRA acts encouraging dialogue whilst promoting the safety and benefits of the fragrance industry's products.	RAC, MSC , Forum, PEG, HelpNet, RCN, REACH, CLP, Biocides, PIC	Fragrances
European Alliance	Umbrella association of the	RAC, SEAC, MSC ,	Industry

Name	Description of activities as indicated in their application form	Interest in ECHA's activities ³	Main interest presented
Part 1 – Organisations that MSC agreed to be invited as MSC regular observers (organisations representing a large group of industry or other general interest)			
of Glass Industries (Glass Alliance Europe)	European glass industry (representation of the glass industry's interests with European/international institutions)	Forum, RCN, Guidance	
European Association for Chemicals and Molecular Sciences (EuCheMS)	The European Association for Chemical and Molecular Sciences promotes cooperation in Europe between non-profit-making scientific and technical societies and professional institutions in the field of chemistry whose membership consists largely of individual qualified chemists/chemical scientists and whose interests include the science and/or practice of chemistry/ chemical sciences.	MSC , Guidance	Environment, Science
European Industrial Minerals Association (IMA-Europe)	IMA-Europe, the European Industrial Minerals Association, is an umbrella organisation which brings together 11 European associations specific to individual minerals	Forum, HD, MSC , RAC, Guidance, SEAC	Industry: Calcium carbonate, Borates, Vermiculite, Sepiolite, Wollastonite, Bentonite, Lime, Feldspar, Gypsum, Silica, Talc, Diatomite, Kaolin, Trade
MedTech Europe AiSBL	A pan-European trade and product association representing medical technology manufacturers (diagnostics and medical devices) in Europe.	RAC, SEAC, MSC , BPC, Forum, RCN, HelpNet, Guidance - REACH, CLP, Biocides	Medical devices, <i>In Vitro</i> Diagnostics
Nanotechnology Industries Association (NIA)	NIA is the global sector-independent, responsible voice for the industrial nanotechnologies supply chains	RAC, SEAC, MSC , Forum, Guidance, RCN, REACH, CLP	Nanotechnology
Toy Industries of Europe (TIE)	TIE is the trade association serving as a discussion platform for the European toy industry. TIE provides information on the main issues, challenges and relevant legislative developments for the toy sector in Europe. TIE also helps to educate the toy sector about how to comply with relevant legislation.	RAC, SEAC, MSC , Forum, HelpNet, Guidance – CLP, REACH	Toy industries
