

Vacancy Notice

The European Chemicals Agency (ECHA) is the driving force among regulatory authorities in implementing the EU's ground-breaking chemicals legislation for the benefit of human health and the environment as well as for innovation and competitiveness. ECHA, together with its partners, works for the safe use of chemicals.

The European Chemicals Agency (ECHA) is launching this call for expressions of interest in order to establish a reserve list for the following temporary agent profile:

Reference number	Vacancy notice	Grade	Indicative n° on reserve list
ECHA/TA/2019/006	Regulatory Officer	AD 7	6

The closing date and time for submission of applications for this call is 8 July 2019 at noon 12.00 Helsinki time (11.00 Central European Time).

1. The Job

The Regulatory Officer will work in the Directorate for Prioritisation and Integration of the Agency, in the Prioritisation Unit. S/he will work in close collaboration with Member State authorities, other EU agencies and the Commission, and with other internal teams in ECHA.

The Prioritisation Unit coordinates the identification and prioritisation of groups of substances requiring further regulatory actions at the EU level and supports the identification of the appropriate regulatory measures. It manages the prioritisation and listing of substances on the Community Rolling Action Plan (CoRAP) and on the Authorisation List (Annex XIV Recommendation).

The main tasks of the Regulatory Officer include:

- Contribute to the implementation of ECHA's approach to managing groups of substances (including building the groups based on structural similarity and uses, assessing the regulatory status of substances, analysing the best strategy for generating the necessary information and managing the concerns together with chemistry and hazard experts);
- Contribute to the identification of the most appropriate regulatory management instruments under REACH and CLP Regulations and under other EU legislation to address the identified concerns;
- Support timely initiation of the identified regulatory measures by the Member States or ECHA, on request of the Commission;
- Identify needs, engage and co-operate with other EU authorities and Member States to strengthen the interactions between REACH/CLP and other EU legislation and to promote efficient use of REACH/CLP data for the implementation of other legislation.

2. Eligibility criteria

The selection procedure is open to applicants who satisfy the following eligibility criteria, on the closing date for application:

⁶ Only appropriate professional experience acquired **after achieving** the minimum qualification stated in 2.2 shall be considered. Where additional periods of training and study are accompanied by periods of professional activity,

Only qualifications issued by EU Member State authorities or EEA authorities and qualifications recognized as equivalent by the relevant EU or EEA Member State authorities will be accepted.

2.3. Professional experience

To qualify for this profile, you must have at the closing date for applications a total professional experience⁶ of at least six (6) years acquired after achieving the minimum requirements stated out in 2.2. At least four (4) years of your total professional experience must be relevant professional experience⁷ in the fields listed in section 1.

3. Selection criteria

If you meet the eligibility criteria set out in section 2, you will be assessed on the basis of the following selection criteria. The candidates who are judged to be the most suitable on the basis of the selection criteria will be invited to an interview.

- Your academic and professional qualifications and their relevance to the main areas of work listed in section 1.
- Your professional experience in the range of fields covered, the length, type and level of work done and its relevance⁷ to the areas of work listed in section 1.

The following will be considered as assets:

- Experience in work requiring multiple expert disciplines and interaction with a wide range of stakeholders;
- Work experience gained in a similar multicultural environment. Preference will be given to work experience abroad.

The academic and professional qualifications, professional experience and knowledge and experience considered as an asset must be described as precisely as possible in your application.

4. Interview and written test

If selected for interview, you will be assessed on the basis of the following criteria:

- Knowledge and understanding in your areas of experience that are most relevant to the tasks set out in section 1;
- Understanding of the role of ECHA, in relation to the REACH, CLP, Biocides and PIC legislations;

only the latter shall be considered as professional experience. Compulsory military service or equivalent civilian service accomplished after the achieving the minimum qualification stated in 2.2. shall be taken into consideration. Professional activities pursued on a part-time basis shall be calculated pro rata, on the basis of the percentage of full-time hours worked. A given period may be counted only once.

⁷ Relevant experience should be described in your application.

- Ability to communicate and liaise effectively with internal and external stakeholders⁸;
- Capacity to rapidly grasp the scientific and/or policy sensitivity of the activities of the Agency⁸;
- Ability to work effectively in a multidisciplinary team in a multicultural and multilingual environment⁸;
- Ability to adapt and respond well to change and manage pressure effectively⁸;
- Good command of spoken and written English.

Your ability to communicate in written English, and the knowledge, skills and competencies related to the job will be also assessed by written tests.

For native English speakers, your ability to communicate in your second EU language will be tested during the interview. As this forms part of the general requirements stated under section 2.1 above, any failure in proving the satisfactory level of your second EU language would lead to your exclusion from the selection.

5. Placement on the reserve list

If you are judged to be among the most suitable candidates, on the basis of the criteria listed in sections 2, 3 and 4, you will be placed on the reserve list. The reserve list will be valid for a period of two years.

It should be noted that inclusion on the reserve lists does not imply any entitlement of employment in the Agency.

6. Other information

Before applying, you should carefully read the Guide of Applicants⁹ published on ECHA Website. This guide is an integral part of the Vacancy Notice and will help you to understand the rules governing the procedure and how to apply.

Successful applicants may be offered an employment contract for five years as a temporary agent. This contract may be renewed for a definite period. If renewed for a second time, the contract becomes indefinite. If the successful applicant from the external selection procedure is already a member of temporary staff 2(f) in the relevant function group or another function group, the Agency shall offer the person, in writing, the opportunity to be assigned to the post by means of mobility under the provisions of Article 6(2)¹⁰ or, subject to the establishment plan availabilities, Article 10¹⁰ respectively, if the person prefers to ensure continuity of contracts.
