<b>Cefic</b>	Cefic established a Working Group in 2010 to identify the future skills gaps and educational needs of the sector. This Working Group will identify the critical skills needed to improve innovation in the sector. The ultimate aim is to improve the match between industry requirements in Europe and the content of university-level courses. Cefic will work with a variety of other partners across Europe to achieve this aim.		<a href="http://www.cefic.org/">http://www.cefic.org/</a>	<a href="mailto:rvi@cefic.be">rvi@cefic.be</a>	Hubert Mandery
