

# Stakeholders workshop

## FORUM Best Practice Documents

Dr Tasoula Kyprianidou-Leontidou  
CYPRUS FORUM member

# Main Tasks of FORUM

## art. 77(4) of REACH

- To spread good practise and highlight problems at Community level
- To propose, coordinate and evaluate harmonised enforcement projects and joint inspections
- To identify enforcement strategies, as well as best practise in enforcement
- To develop working methods and tools of use to local inspectors
- .....

# Development of Best Practice documents

- 1. Strategies for enforcement of REACH and CLP**
- 2. Minimum Criteria for REACH and CLP Inspections**

# Strategies for the Enforcement of REACH and CLP Regulations

Working group B1 was established at the 2nd Forum meeting (May 2008)

## Mandate of the Working Group

To prepare and present for adoption by the Forum draft documents on strategy(ies) for enforcement of REACH and on minimum criteria for REACH enforcement

## Main objectives:

To identify and present:

- *Enforcement strategies for REACH*
- *Best practice in enforcement*
- *Minimum criteria for REACH enforcement*

# Strategies for the Enforcement of REACH and CLP Regulations (cont.)

- WG was established at the 2<sup>nd</sup> Forum meeting (May 2008) to examine Strategies for the enforcement of REACH
- Paper on **REACH Enforcement Strategies** agreed upon by FORUM3 (December 2008)
- Text revised to include CLP reference as part of the activities of the WG for the FORUM Work Program 2012-14
- Final document adopted at FORUM9 covering the **strategies for the enforcement of REACH and CLP**

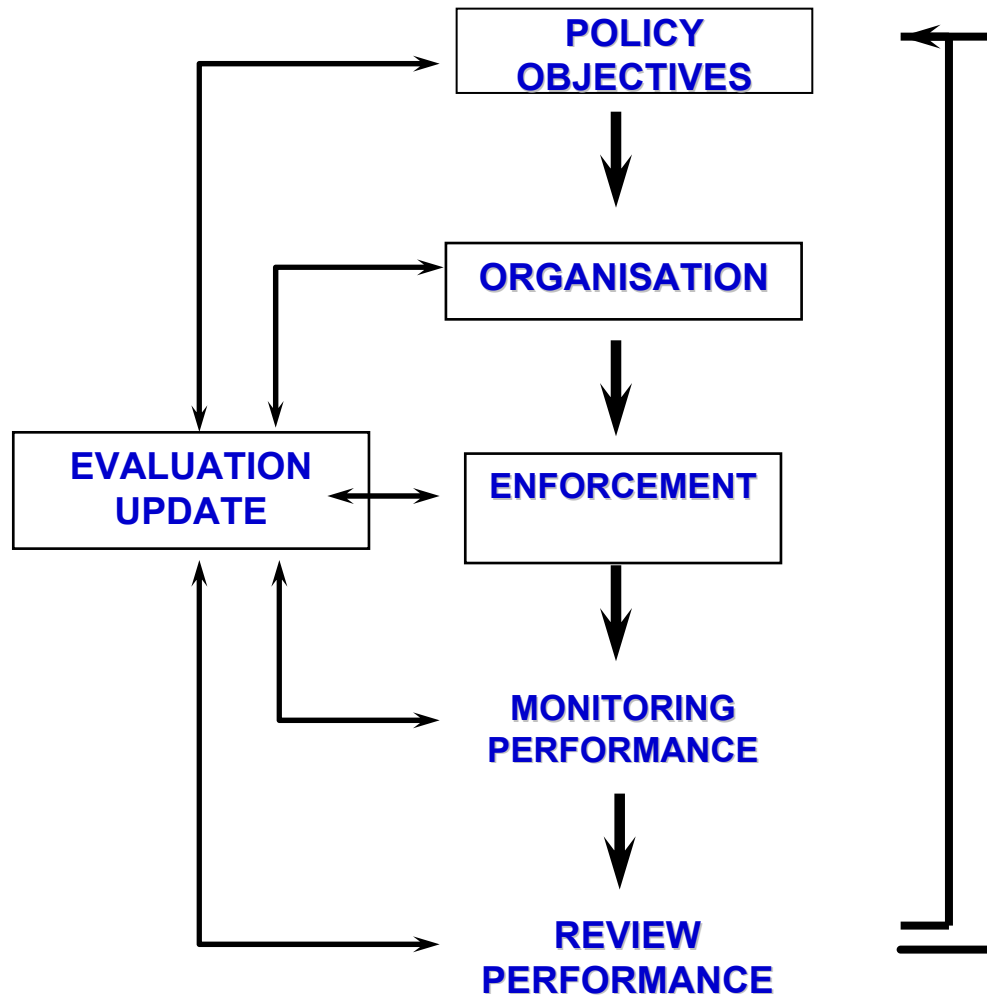

# Strategies for the Enforcement of REACH and CLP Regulations (cont.)

Main result:

Report on Strategies for enforcement of REACH and CLP

- Annex 1 – Essential requirements for REACH
- Annex 2 – Essential requirements for CLP
- Annex 3 – Key elements of successful management system for compliance with REACH and CLP
- Annex 4 - Glossary

# Elements for an Enforcement process for the REACH and CLP Regulation (cont.)

# Strategies for the Enforcement of REACH and CLP Regulations – other elements

- Co-operation and co-ordination between enforcing authorities
- MS approaches in developing enforcement strategies
- Review and update

# Strategies for the Enforcement of REACH and CLP Regulations – other elements

Side result:

- Thought starter document on the Minimum criteria for Inspections under the REACH Regulation

# Minimum Criteria for REACH and CLP Inspections

- A WG was established at FORUM3
- Work on **REACH** minimum criteria for inspections was finalised at FORUM6 (December 2008)
- Text revised to include CLP reference as part of the activities of the WG for the FORUM Work Program 2012-14
- Final document adopted at FORUM9 covering the **minimum criteria for REACH and CLP** inspections

# Initial objectives and mandate

## Objective:

Develop minimum criteria for REACH inspections for ensuring the level playing field within the internal market and better coordination of REACH enforcement within EU and EEA – EFTA states

## Mandate:

- Draft minimum criteria for REACH inspections, taking into account the thought starter paper prepared by the Forum WG “Strategies for REACH enforcement”
- Consider the provisions of the Market Surveillance Regulation (‘AMS Regulation’)

# Minimum Criteria for REACH and CLP Inspections – key elements

- Organisation and planning
- Carrying out REACH and/or CLP inspection
- Action following REACH and/or CLP inspection
- Checking and review of arrangement for REACH and CLP
- Reporting

**Ευχαριστώ πολύ!**  
**Thank you very much!**
