Audio Broadcast

- Joining the event will automatically connect you to the audio broadcast
- Volume control in the audio panel
- Enable the sounds on your computer
- Turn on your computer speakers (or headphones)
- One way audio (we cannot hear you)
- Two way communication through the questions and answers panel (next slide)

Interaction during the event

The image shows a screenshot of a web interface for an event. On the left, the 'Participants' tab is active, displaying a list of participants. Under 'Panelists: 1', Rasmus Johansen (Host) is listed. Under 'Attendees', Ian Newbury is listed. On the right, the 'Q&A' tab is active, showing a list of questions (currently 'All (0)') and an 'Ask:' section with a dropdown menu set to 'All Panelists'. A text input field for asking a question is visible, with a 'Send' button next to it. A red dashed line highlights the 'Ask:' section and the text input field.
