ECHA MULTI-ANNUAL WORK PROGRAMME PUBLISHED FOR STAKEHOLDERS TO COMMENT

Today, ECHA published on its website the 2009 - 2012 Multi-Annual Work Programme in 22 EU languages. The Programme has been adopted by the ECHA Management Board and it will be updated in 2010. Stakeholders are invited to comment the document. The stakeholder input will be taken into account when the Work Programme is updated in 2010. A dedicated web form is available for commenting. It can be found on the ECHA website just below the Multi-Annual Work Programme. The web form is open until 30 January 2009.
