

WG-VI-2017
Final minutes

Minutes of WG-VI-2017

4-5 December 2017

Meetings of the Human Health, Environment, Analytical methods and physico-chemical properties and Efficacy Working Groups of the Biocidal Products Committee

Minutes of Human Health WG
WG-VI-2017 (4 December 2017)

1. Welcome and apologies

The Chair welcomed the participants indicating that there were 27 members registered, but several of the members were not joining the virtual meeting that was held via Secure WebEx. No stakeholder observers were present. The applicant was registered for the discussion on their application.

Participants were informed that the meeting would be recorded solely for the purposes of writing the minutes and that this recording would be destroyed after the agreement of the minutes. The list of attendees is given in Annex 1.

2. Agreement of the agenda

The Chair introduced the draft agenda and invited any additional items. The agenda was agreed without changes.

3. Declarations of potential conflicts of interest in relation to the agenda

The Chair invited all members to declare any potential conflicts of interest in relation to the agreed agenda. None were declared.

4. Discussion of Union authorisation applications

4.1 UA for product family containing Iodine/PVP-Iodine

Please refer to the confidential minutes provided to Member State Competent Authorities in S-CIRCABC and to the applicant in R4BP 3.

5. Any other business

No discussion took place.

Minutes of Analytical methods and physico-chemical properties WG WG-VI-2017 (5 December 2017)

1. Welcome and apologies

The Chair welcomed the participants of the working group meeting. No accredited stakeholder organisation (ASO) was registered for this meeting.

Participants of the working group were informed that the meeting is recorded, but solely for the purpose of drafting the minutes and that the recording will be destroyed after the agreement of the minutes. The recording is not released to anybody outside ECHA and any further recording was not allowed.

2. Agreement of the agenda

The Chair introduced the draft agenda and invited the working group members to include any additional items under any other business (AoB). No further item under AoB was raised. The agenda was agreed without changes.

3. Declarations of potential conflicts of interest in relation to the agenda

The Chair invited all members to declare any potential conflicts of interest in relation to the agreed agenda. None were declared by the working group members.

4. Discussion of Union authorisation applications

4.1 UA for product family containing Iodine/PVP-Iodine

All open issues were discussed and agreed by the working group members.

Minutes of Efficacy WG

WG-VI-2017 (5 December 2017)

1. Welcome and apologies

The Chair welcomed all participants to the 20th Efficacy WG meeting. There were 6 members who participated in the meeting. No ASO representatives attended the EFF WG meeting.

Participants were informed that the meeting would be recorded solely for the purposes of writing the minutes and that this recording would be destroyed after the agreement of the minutes. The list of attendees is given in Annex 1.

2. Agreement of the agenda

The Chair introduced the agenda items. There were no comments from the EFF WG members.

The EFF WG members agreed on the proposed agenda.

3. Declarations of potential conflicts of interest in relation to the agenda

The Chair invited all members to declare any potential conflict of interest to the agenda items. None were declared.

4. Discussion of Union authorisation applications¹

4.1 UA for product family containing Iodine/PVP-Iodine (eCA NL)

There was one remaining open point in the RCOM table. The Chair informed the EFF WG members that this point was not related to efficacy and therefore the EFF WG is not the right body to discuss this issue. The eCA and the commenting MS were informed before the meeting that this point is considered closed.

The discussion table was only provided to record the agreement/disagreement of the WG.

The EFF WG agreed on the evaluation made by the eCA.

5. Agreement of the draft minutes from WG-IV-2017

The Chair informed that no comments for the draft minutes of WG-IV-2017 (UA-APP part) had been received. The draft minutes were agreed by the EFF WG.

6. AOB

There were no issues under AOB.

¹ The details of the Union authorisation applications are considered restricted. Only the non-restricted conclusions are reported here.
