

Curriculum Vitae

Oscar González

Main expertise in summary

Coordination on the implementation at national level of the European Union environmental legislation on chemical pollutants. Primarily on the fields of chemical safety for the environment, promotion of environmentally sound alternatives along with legal aspects, financing mechanisms, and international negotiation:

- ⇒ REACH and CLP Regulation
 - ⇒ Membership committees of REACH, CLP CARACAL, CASG technical committees at EU level
 - ⇒ Biocides and Plant Health Products Legislation. Environmental Assessment
 - ⇒ Genetically Modified Organism Directives. National Biosafety issues.
 - ⇒ Within the framework of UNEP, implementation and development of binding environmental agreements namely the Rotterdam Convention on the Prior Informed Consent Procedure for Certain Hazardous Chemicals and Pesticides in International Trade
 - ⇒ Focal point of the Vienna Convention and the Montreal Protocol on ozone depleting substances
 - ⇒ Minamata Convention on Mercury
 - ⇒ Stockholm Convention on Persistent Organic Pollutants
-

Professional experience

2017-Current

Coordinator of the Environmental Risk Area

DEPUTY GENERAL DIRECTORATE OF QUALITY AND ENVIRONMENTAL ASSESSMENT

Spanish Ministry of Agriculture and Fisheries, Food and Environment. Subdirectorate of Air Quality and Industrial Environment

Coordination on the implementation at national level of the European Union environmental legislation on chemical pollutants:

- ⇒ REACH Regulation
- ⇒ CLP Regulation
- ⇒ Biocides and Plant Health Products Legislation
- ⇒ Genetically Modified Organism Directives
- ⇒ Membership committees of REACH, CLP CARACAL, CASG technical committees at EU level
- ⇒ Within the framework of UNEP implementation and development of binding environmental agreements namely the Rotterdam Convention on the Prior Informed

Consent Procedure for Certain Hazardous Chemicals and Pesticides in International Trade

- ⇒ Focal point of the Vienna Convention and the Montreal Protocol on ozone depleting substances

Jan 2010 Jan 2017

Head of the Service for the Experts Coordination in European and International Environmental Affairs

DEPUTY GENERAL DIRECTORATE OF QUALITY AND ENVIRONMENTAL ASSESSMENT

**Spanish Ministry of the Agriculture and Fisheries, Food and Environment.
Subdirectorates of Air Quality and Industrial Environment**

Implementation at national level of the European Union environmental legislation on chemical pollutants. Main tasks:

- ⇒ Actions under the Stockholm Convention on Persistent Organic Pollutants of the United Nations Environmental Programme (UNEP)
- ⇒ Mercury regulation at EU and Minamata Convention at UNEP level
- ⇒ Follow-up of the International Strategy for Chemicals Management (SAICM)
- ⇒ Implementation of the Rotterdam Convention on the Prior Informed Consent Procedure for Certain Hazardous Chemicals and Pesticides in International Trade
- ⇒ Focal point of the Vienna Convention and the Montreal Protocol on ozone depleting substances
- ⇒ Membership of technical committees at EU level and within the framework of UNEP for the implementation and development of the previous binding environmental agreements.
- ⇒ Spanish member of the European Council WIPIEI chemical group, for the International European Commission or Secretariat of UNEP as required information derived from the EU or international legislation.
- ⇒ Member of the UE National Experts Group of Montreal Protocol on Ozone Depleting Substances and European Regulation Committee on Ozone Depleting Substances

Nov 2006- Dec 2009

Water discharges Inspector

Area of Water Quality

Official of the Spanish Ministry of Agriculture and Fisheries, Food and Environment.

Water General Directorate

River Duero Basin Authority Hydrographic Confederation

- ⇒ Supervising with sampling Waste Water Treatment Plants discharges
- ⇒ Processing of discharge permits and binding reports
- ⇒ Control of compliance of the discharge authorization conditions
- ⇒ Formulation of penalties for unauthorized discharges that violate law
- ⇒ Handling of complaints for breach of the European Union and National Water Legislation

Jan 2003- Jun 2006

Environmental technician

TRAGSA Medio Ambiente. Public Company
