

Opening

Workshop on shared experience on
applications for authorisation

29 April 2014

Matti Vainio

Head of Unit – Risk Management Implementation

ECHA

Objectives for this workshop

- Share experiences between “previous” and “future” applicants
- Get information from the market and from ECHA on the application process: *what worked, what could have been done better*
- More specifically, present experiences on:
 - work organisation,
 - communication along the supply chain,
 - description and scoping of the uses,
 - analysis of alternatives and socio-economic analysis;
 - public consultation on alternatives and dialogue
 - opinion-making process
- Outcome will be the basis for further improvement of the AfA process

The way we work

- Short presentations
- Not repeating guidance
- Q&As and instructions
- Industry-to-industry presentations
- Ample time for discussions
- Also « one-to-one » sessions
