Audio Broadcast

- Audio for each event will be available directly through the Event Centre tool.
- As attendees join the event, they will be connected to the audio broadcast. The Audio Broadcasting panel, where attendees can control audio volume, opens automatically.
- Make sure the sounds are enabled on your computer
- Turn on your computer speakers or plug in a headset
- Two way audio is disabled so you will not be able to verbally communicate with the participants, presenters or panelists during the event.
- Communication with panelists happens through the questions and answers feature

Interaction in the event

The screenshot shows a 'Participants' panel with a header bar containing a 'Participants' button and a 'Q&A' button. Below the header, there is a dropdown menu for 'Participants'. Underneath, there are two sections: 'Panelists: 1' and 'Attendees:'. The 'Panelists' section lists 'Rasmus Johansen (Host)' with a green status indicator and a 'Tools' icon. The 'Attendees' section lists 'Ian Newbury'.

Panelists and Presenters will be listed here.

If you have a question, type it here:

Use the drop-down list and select "All panelists" before you send your question
