

REACH 2013 - Act Now!

Webinars

SMEs and REACH

11 June, 2012

11:00 - 13:00 Helsinki Time (GMT +3)

Webinar Introduction

- Audio broadcast
- Further questions on SMEs and REACH
- Webinar programme

Audio Broadcast

- Audio for each event will be available directly through the Event Centre tool
- Make sure the sounds are enabled on your computer. For optimal sound quality, use headphones
- As attendees join the event, they will be connected to the audio broadcast. The audio broadcasting panel, where attendees can control audio volume opens automatically
- If you are not connected to the audio broadcast, you can connect to it by selecting "Communicate" from the top menu and "Join audio broadcast".

Further questions on SMEs and REACH

- National REACH & CLP helpdesks

National helpdesks provide advice on the general provisions and obligations under REACH & CLP

They are your first point of contact

For **contact details of national helpdesks**, see ECHA's website at: <http://echa.europa.eu/support/helpdesks/national-helpdesks>

- Questions to the **ECHA Helpdesk** can be submitted via a **contact form** on the ECHA website: <http://echa.europa.eu/contact>
