Interaction during the event

The image shows a screenshot of a web interface for an event. On the left, the 'Participants' section is expanded, showing a list of participants. A callout box points to the 'Panelists and Presenters' section of this list, stating 'Panelists and Presenters will be listed here.' Below this, a callout box says 'If you have a question, type it here:'. A red dashed line leads from this callout to a larger callout box that says 'Use the drop-down list and select "All panelists" before you send your question', with 'All panelists' highlighted in a green box. Below this is a 'Click Send' button. At the bottom left, another callout box says 'Await your answer.' On the right, the 'Q&A' section is shown. A callout box points to the 'Ask:' dropdown menu, which is currently set to 'All Panelists'. Below the dropdown is a text input field with a character count '256' and a 'Send' button.
