

WORKSHOP - SHARED EXPERIENCE ON APPLICATIONS FOR AUTHORISATION
29-30 APRIL 2014

ECHA CONFERENCE CENTRE, ANNANKATU 18, HELSINKI, FINLAND

FINAL PROGRAMME

The aim is to share experiences between previous and future applicants and to get information from the market and from ECHA on the application process: what worked, what could have been done better.

The speakers are invited to present their approach in terms of work organisation, communication along the supply chain, description and scoping of the uses, analysis of alternatives, socio-economic analysis; and in addition for previous applicants: on public consultation on alternatives and dialogue.
