08:15	Registration	RECEPTION DESK
09:00	Welcome and introduction.	ECHA
09:15	Opening address: Excellence in supply chain communication to achieve our 2020 goals.	Geert Dancet ( <i>ECHA</i> )
	<b>SESSION 1. Towards good quality information on the safe use of chemicals: Tools available under the Roadmap.</b>	<b>Chairpersons:</b> Mike Rasenberg ( <i>ECHA</i> ), Violaine Verougstraete ( <i>Eurometaux</i> )
	<b>Improving upstream communication: Sector use maps.</b>	
09:30	a. Sector use maps library: Content and observations from first submissions.	Laure-Anne Carton de Tournai ( <i>ECHA</i> )
09:50	b. Experience of use maps practitioners: learnings from developing sector use maps.	Divina Gómez ( <i>FEICA</i> ) Francesca Angiulli ( <i>AISE</i> )
10:30	c. Practical challenges in building use maps for complex industries	Patrick de Kort ( <i>EuPC</i> )
10:45	Questions and answers.	
11:15	<b>Coffee break</b>	
11:45	d. How improved information included proactively can help registrants more convincingly demonstrate the control of risk to authorities.	Violaine Verougstraete ( <i>Eurometaux</i> )
12:00	e. How Chesar can help registrants in transferring use map information from downstream user sectors into the registrants' assessments and exposure scenarios for communication.	Hélène Magaud ( <i>ECHA</i> )
12:30	f. Findings from <i>Chemical Watch</i> and <i>Chemical Risk Manager</i> poll on ENES use map tools.	Emma Chynoweth ( <i>ChemicalWatch</i> )
12:40	Questions and answers / Discussion.	

13:00	<b>Lunch break</b>	ECHA Restaurant
	<b>Improving downstream communication: Providing good quality exposure scenario information to formulators and end users of chemicals.</b>	<b>Chairpersons:</b> Leena Yla-Mononen (ECHA), Violaine Verougstraete (Eurometaux)
14:00	<b>Communicating safe use information:</b> g. ESCom package:  i. ESCom standard phrases and XML: state of play.  ii. Management of extended safety data sheets by a global chemicals' distributor.	Dook Noij (Dow)  Raoul Tacou (Biesterfeld)
14:30	h. Safe use information for mixtures - SUMIs from formulators for end users.	Janice Robinson (DUCC/CEPE)
15:00	Questions and answers / Discussion.	
15:30	Introduction to Day 2	
15:50	<b>Coffee break</b>	
16:20	<b>Parallel discussion sessions.</b> Feedback from delegates on what is published/has been presented so far (including practical experience in working with it), in particular: (i) the identification of obstacles/hurdles to use the tools and/or (ii) to use the information generated by the tools	Marie Curie Conference Centre
	<b>A. Use maps:</b> Information to registrants. (2 locations)	
	Sector use maps – sector use maps explained. Francesca Angiulli (AISE); Divina Gómez / Thorsten Funk (FEICA).	
	<b>B. ESCom:</b> Downstream communication to formulators and end users. (2 locations)	
	ESCom package: Standard phrases and XML. Dook Noij (Dow); Thomas May (Axalta); Michael Schalk (SAP); Nursulu Davrenova (3E).	
	<b>C. Mixtures:</b> Safe use information to end users. (2 locations)	
	Safe Use of Mixtures Information (SUMI). Janice Robinson (CEPE). Martin Glöckner (EFCC).	
17:30-18:30	<b>Reception</b>	Marie Curie Conference Centre
19:00	<b>Informal Dinner (optional)</b>	

Downstream Users of Chemicals Co-ordination group
