

# Congratulations!

You've submitted REACH registration dossiers for the 2010 and 2013 registration deadlines. Are you ready for 2018?

Thousands of smaller companies will join an existing registration to register their chemicals by 31 May 2018. Make sure your dossier is in good shape and up-to-date to welcome the newcomers.

Check our latest advice for successful REACH registration in 23 EU languages at: [echa.europa.eu/reach-2018](http://echa.europa.eu/reach-2018).

**We wish you a successful 2017!**
