Advisory process

1. According to the working procedure for developing the Forum advice on enforceability of the Annex XV proposals for restrictions adopted by the Forum, the WG shall:

- a) Prepare a draft Forum advice on the enforceability of Annex XV proposals for restrictions that are in conformity with the REACH requirements, taking into account the comments of the Forum members. This draft Forum advice will be submitted to the Forum for adoption.
 - b) Provide support when possible on enforcement related issues to RAC and SEAC during the process of the elaboration of the RAC and SEAC opinions.
2. Consider to provide an advice to the Commission on restriction proposals prepared by the Commission regarding Article 68 (2) when invited to do so by the Commission.

Analytical methods

3. Review in 2020 the information on analytical methods provided by the stakeholders during 2016/2017/2018/2019 and revise if needed the methodology and the compendium by F-34 (Q4 2019).
4. Provide advice to the Commission on the development of standard methods when invited to do so by the Commission.

Other

5. Propose to the Forum, in cooperation with ECHA Secretariat, a "Registry of concerns on restrictions" highlighting the potential issues identified by National Enforcement Authorities during the enforcement of REACH Annex XVII restrictions and a proposal for solutions.
6. Assess the enforceability of newly adopted Annex XVII restrictions.
7. The WG shall report to the Forum plenary the results of its findings and its actions between the plenaries.

Timeline:

- Examination of proposals for restriction and support to RAC and SEAC according to plans
- Review Compendium of analytical methods: F-37
- First proposal of the "Registry of concerns": F-37
- Assessment of the enforceability of relevant new Annex XVII restrictions: F-37
