Objective:

- conceive and manage the seventh major Forum enforcement project REF-7 ‘Enforcement of Registration obligations after the last registration deadline in cooperation with customs authorities including the verification of the strictly control conditions applicable to the substances registered as intermediates’.

Mandate:

1. Develop the project manual (guidance document, checklist, planning, recommendations) for the execution of the project
2. Consider the inclusion of an optional module on the registration of monomers in polymers within the project
3. Discuss with ECHA Secretariat possibilities for preliminary screening of the registration dossiers and identification of some cases where there is concern
4. Prepare and deliver the training for project national coordinators
5. Management of the Operational phase
6. Management the Reporting phase: Follow-up operational phase, collect the results and draft project evaluation
7. Elaborate tips and hints for inspectors based on the relevant outcomes from the project
