If we declare a subcontractor in the tender, can we use their references to be compliant with the evidence for selection criteria 2.2 : “the tenderer shall present a list of at least 5 contracts under which his personnel has provided consulting services relevant to the lot during the past three years”...?

Referring to point 2.2.2.1.3 we confirm that a consolidated assessment shall be made, in case of subcontracting, to the extent that the subcontractor puts its resources at the disposal of the tenderer for the performance of the contract.
