**a contract notice in the Official Journal of the European Union (OJEU)**  
**Directive 2004/18/EC**

Please provide hereunder a justification for the award of the contract without prior publication of a contract notice in the Official Journal of the European Union. This justification must comply with the requirements of Directive 2004/18/EC.

(In terms of Directive 89/665/EEC on Remedies, the time-limit for application for review referred to in the first indent of Article 2f(1)(a) of this Directive can be reduced if the notice contains a justification of the contracting authority's decision to award the contract without prior publication of a contract notice in the Official Journal of the European Union. In order to benefit from this reduced time-limit, please tick the relevant box(es) and provide the additional information below.)

**1) Justification for the choice of the negotiated procedure without prior publication of a contract notice in the OJEU in accordance with Directive 2004/18/EC**

No tenders or no suitable tenders in response to:

- open procedure,
- restricted procedure.

The products involved are manufactured purely for the purpose of research, experiment, study or development under the conditions stated in the Directive. (for supplies only)

The works/goods/services can be provided only by a particular tenderer for reasons that are:

- technical,
- artistic,
- connected with the protection of exclusive rights.

Extreme urgency brought about by events unforeseeable by the contracting authority and in accordance with the strict conditions stated in the Directive.

Additional works/deliveries/services are ordered under the strict conditions stated in the Directive.

New works/services, constituting a repetition of existing works/services and ordered in accordance with the strict conditions stated in the Directive.

Service contract awarded to the successful candidate or one of them after a design contest.

For supplies quoted and purchased on a commodity market.

For the purchase of supplies on particularly advantageous terms:

- from a supplier which is definitely winding up its business activities,
- from the receivers or liquidators of a bankruptcy, an arrangement with creditors or a similar procedure.

All tenders submitted in reply to an open procedure, a restricted procedure or competitive dialogue were irregular or unacceptable. Only those tenderers were included in the negotiations which have satisfied the qualitative selection criteria.

**2) Other justification for the award of the contract without prior publication of a contract notice in the OJEU**

- The contract has as its object services listed in Annex II B to the Directive.
- The contract falls outside the scope of application of the Directive.

In order to benefit from the reduced time-limit referred to above, in addition to the box(es) to be ticked above, please explain in a clear and comprehensive manner why the award of the contract without prior publication of a contract notice in the Official Journal of the European Union is lawful, by stating in any case the relevant facts and, as appropriate, the conclusions of law in accordance with Directive 2004/18/EC: (500 words maximum)
