Ex-ante publicity notice in negotiated procurement procedure

Subject: ECHA/2015/213 - Identification of information in ConsExpo for export into a Chesar based CSA

Description of the contract:

The European Chemicals Agency (the Agency, <http://echa.europa.eu>) envisages awarding a service contract for analysing how Consexpo could be used in a harmonised way to support consumer exposure assessment under REACH. This will be done by describing how such assessments could be reported when using ECHA's Chemical Safety Assessment tool, Chesar.

Description of the services:

The aim of the contract is to obtain a clear description and illustration on how exposure assessments carried out with Consexpo could be reported in Chesar, in a CSR and in an ES for communication. Such analysis should cover the various models integrated in Consexpo. This description should enable a clear mapping from Consexpo inputs and outputs to Chesar fields. Illustration will have to be made for a number of cases, both using data from Consexpo factsheets and cases not covered by Consexpo factsheets.

Description of the procedure:

This ex-ante publicity is the first stage of a negotiated procurement procedure below 60 000 Euros with a minimum of 3 candidates, through which the Agency may award the above-mentioned contract. The purpose of this notice is to support the Agency in the selection of the list of candidates to be invited to submit an offer for the contract. Please note that offers submitted in the subsequent negotiated procedure with a value above 60 000 EUR will be rejected.

All economic operators interested in providing the services described above should send a declaration of interest before **31/07/2015**, 16h00 Helsinki time, by e-mail to procurement@echa.europa.eu with the same subject reference as indicated above.

In their declaration of interest (300 words maximum) interested economic operators should demonstrate their ability to provide the relevant services. This information will be assessed by the Agency in order to select suitable candidates. All interested economic operators will be informed of the decision of the Agency.

The Request for Offers and related documents will be provided by e-mail only to the selected candidates.

Please note that the Agency reserves the right not to launch the negotiated procedure. If that were the case, all interested economic operators would be informed of this decision.

We look forward to receiving your declaration of interest.

Yours faithfully,

Christel Schilliger-Musset
Director of Registration
