Subject: ECHA/2009/39: Multiple Framework Contract with reopening of competition and division into lots for external service provision for development, studies, support of information systems and security, awarded through an open procurement procedure

CLARIFICATIONS 29

29.1 Are three public sector references mandatory?

Yes.

29.2 Can we put additional information as appendix?

Tenderers are requested to include additional information in the section project description.

29.3 Can the response format for questions and answers be changed? For example, putting the response in the answer box in the template given is giving problems, so can we remove the answer box and go with question and answer format?

Tenderers are permitted to change the format of the project reference form (e.g. make smaller paragraph spacing, smaller font size) with the aim of having a clearer and readable outcome, but must not modify the structure of the template provided.
