7.1 We are referring to page 31/171 of the document “Specifications”, chapter 2.2.2.3.1. “Financial award criteria documentation”: “Tenderers must use the financial form to formulate their financial bid”. The footnote concerning the financial form is: “see section 5.2.3.” It is our understanding there is a form to be filled in with our pricing. Our question is the following: section 5.2.3. contains only the templates for the CVs and the project references. We find nowhere in the document any “Financial Form” to be used in the financial proposal. May we kindly ask you if there is a clerical mistake in the footnote, and where this form is to be found?

The footnote should refer to 5.2.4. The form is available on page 102 and following.
