On changes of the national authorisation

Latvian Environment, Geology and Meteorology Centre (LEGMC) on 19 January 2018 received the request from Czech Republic Competent Authority for changes in expiry date of national authorisation for the **“Diffusil Repellent”** with authorisation number **LV/2016/MR/003**.

LEGMC agrees with requested changes: *changes in expiry date of national authorisation*.

The authorisation of “Diffusion Repellent” is valid until 5th June 2025.

The authorisation holder for **“Diffusion Repellent”** in Latvia is:

SC Johnson s.r.o

This letter is integral part of authorisation of biocidal product through mutual recognition in sequence (14th of March 2016, letter No. 4-6/441).

LEGMC would like to ask **SC Johnson s.r.o** to notify the above mentioned information down to supply chain.
