REACH 2018 web pages

The screenshot shows the ECHA website interface. At the top left is the ECHA logo. To the right are links for 'About Us' and 'Contact', and a search box labeled 'Search the ECHA Website'. Below this is a navigation bar with categories: REGULATIONS (REACH, CLP, BPR, PIC), PUBLIC CONSULTATIONS, INFORMATION ON CHEMICALS, and SUPPORT. The main content area features a 'Search for Chemicals' section with a search input field, a 'Search' button, and a checkbox for 'I have read and I accept the legal notice'. To the right of the search section are two promotional banners: 'Are you new to REACH?' and 'Are you a consumer?'. Below these is a red-bordered banner for 'REACH 2018 REGISTER YOUR CHEMICALS BY 31 MAY 2018'. The 'News' section on the left contains an image of blue spheres and a headline: 'Call for evidence on possible restriction of microplastics' dated 01/03/2018. A 'REACH' tag is visible next to the headline. The bottom right of the page shows logos for 'REACH-IT' and 'IUCLID 6'.
