Administrative change for the product TWP 085

The Environment Agency of Iceland (Umhverfisstofnun) received your application for administrative change of TWP 085 4th September 2017. The case was accepted by the agency on 13th September 2017. In addition to the material in the application documents the agency has based the authorisation on the authorisations of the Danish Environmental Protection Agency.

This authorisation is granted in exercise of the powers conferred by Articles 50(2) and (3) of Regulation (EU) No 528/2012 and Article 6 (4) of Regulation (EU) No 354/2013 (on change) in accordance with Article 1(6) of Icelandic Regulation No 878/2014 on biocidal products, that transposed Regulation (EU) No 354/2013 into Icelandic legislation.

The Environment Agency of Iceland granted authorisation to TWP 085, with authorisation number IS-2012-0002 under the Icelandic Biocidal Products Regulation 1101/2004.

The Environment Agency of Iceland amends the authorisation number IS-2012-0002 in the following terms:

1. A Summary of the Product Characteristics, compliant with Article 22 (2) of Regulation (EU) No 528/2012 is listed in Appendices 1 – the relevant criteria for this biocidal product authorisation applies as described therein.

Sincerely

Gunnlaug H. Einarsdóttir
