

Administrative change of simplified authorization on request

We approved the application for administrative changes for the following product:

Hygienix Biocidal Product Family EU-0018737-0000

We agree with all changes, except the change of shelf life, because that application is still pending. So the shelf-life of the product remains 2 years.

The changes have been incorporated in the spc.

Ede, 16 July 2020

Board for the authorization of Plant Protection Products and Biocides,
