

14th meeting of the ECHA Nanomaterials Expert Group (ECHA-NMEG-14)
26-27 October 2021
Web conference
Final agenda

Chair: Frank Le Curieux, ECHA

NB1: all times are in **CEST** (Amsterdam, Berlin, Paris times)

NB2: Please note that **Day 2 will start before lunch, at 10.00 CEST.**

DAY 1 – Tuesday 26 October 2021, afternoon - CLOSED SESSION		
12.45 CEST	Ensure connection to secure Webex (15 min)	All
13.00	Welcome and introduction (10 min)	Chair
13.10	1. Annex VI CCH – ECHA approach (60 min): - General approach - Illustration with SAS, TiO ₂ and MWCNT dossiers	ECHA
14.10	2. Grouping and read-across of nanomaterials for regulatory risk assessment: A case study on MWCNT registered under REACH applying the GRACIOUS framework (40 min)	Mario Pink (BfR, DE)
14.50	Break (15 min)	
15.05	3. Nanomaterials nomenclature proposed to be used under REACH (30 min)	Abdel Sumrein (ECHA)
15.35	4. First written NMEG consultation to support the PBT EG (2 pigments cases)	Frank Le Curieux & Anu Kapanen, ECHA
16.00 CEST	End of day 1 of NMEG-14 meeting	

DAY 2 – Wednesday 27 October 2021 - OPEN SESSION		
9.45 CEST	Ensure connection to secure Webex (15 min)	
10.00	Welcome and introduction (5 min)	
10.05	5. Administrative issues on NMEG organisation: Dates of next meetings (5 min)	Chair
10.10	6. Summary of discussion in closed session for stakeholders (30 min)	ECHA & DE
10.40	7. Status of current work on OECD TGs/GDs for nanomaterials (40 min)	Jenny Holmqvist (ECHA) & Eric Bleeker (RIVM, NL) [Thomas Kuhlbusch (Baua, DE) was excused]
11.20	Break (15 min)	
11.35	8. Lessons learnt from the substance evaluation on silicon dioxide (30 min)	Petra van Kesteren (RIVM, NL)
12.05	9. Status of the review and potential revision of the Commission Recommendation 2011/696/EU on the definition of nanomaterial (20 min)	Andrej Kobe (DG ENV, COM)
12.25	10. Wrap-up, conclusions.	
12.40 CEST	End of ECHA-NMEG-14 meeting
