Amendment to the Norwegian authorisation of the Union Authorised biocidal product family – Deosan Activate BPF based on Iodine - EU-0019228-0000

We refer to your amendment of the implemented decision in EEA countries and Switzerland (EE-AAT) to the authorisation of the biocidal product family Deosan Activate BPF based on Iodine - EU-0019228-0000, R4BP 3 Case number BC-YU064600-08. The Norwegian Environment Agency hereby amends the Norwegian authorisation.

Background

Regulation (EU) No. 528/2012 concerning the making available on the market and use of biocidal products (the Biocidal Product Regulation, BPR) is implemented in Norwegian law through the Norwegian Biocide Regulation of 18 April 2017 No. 480.

According to Article 17(6) of the BPR, the authorisation holder of a Union Authorisation shall notify the Agency and the Commission of each product within the biocidal product family at least 30 days before placing it on the market.

The amendment of the implemented decision concerns a notification of a new product in Meta SPC 1 to the biocidal product family.
