R4BP asset number	IE-0021693-0000																						
Marketing Company, Address	To be confirmed																						

Active Substance(s) (% w/w):	Propan-2-ol (64.04 % w/w)
Product-Type:	PT02 – Disinfectants and algacides not intended for direct application to humans or animals
Product Composition:	See Confidential PAR on R4BP3
Substance(s) of Concern:	No
Comparative Assessment	No
Formulation Type:	AL – Any other liquid, impregnated wipe
Area of Use:	Indoor use
Statement of use:	Micronclean IPA containing propan-2-ol (64.04 %w/w) is for professional use against bacteria and yeasts for the disinfection of hard surfaces in cleanrooms, and the disinfection of gloves in cleanroom manufacturing facilities.
User Category:	Professional

Special labelling provisions for Ireland:	<p>In addition to the details recorded on the SPC, the following details shall be recorded on the product label(s).</p> <p>Use Biocides Safely and Sustainably It is illegal to use this product for uses or in a manner other than that prescribed on this label.</p> <p>Poison Information: For information or to report a poisoning incident contact The National Poisons Information Centre, Beaumont Hospital, Dublin (01-8092166), retain the label for reference.</p>
--	---

This authorisation may be subject to review in accordance with Regulation (EU) No 528/2012, as amended by Regulation (EU) No 334/2014, or the European Union (Biocidal Products) Regulations, 2013, (S.I. 427 of 2013). The outcome of such a review may lead to amendments to or the revocation of this authorisation.

The following conditions and restrictions apply:

1. Product may **not** be made available on the market or used in the Republic of Ireland unless it complies with the Annexes of this authorisation.
2. The requirements and conditions, specified in the Annexes, of this authorisation may **not** be altered without prior approval of modifications by the Irish Competent Authority for Biocides in Ireland. Where any amendments are made to the original authorisation in another Member State, the Irish Competent Authority for Biocides in Ireland must be informed by the Authorisation Holder.
3. The holder of this certificate for authorisation must inform or provide the Irish Competent Authority for Biocides with any new or requested information/data, respectively, that shows this biocidal product and/or any of its active substances cause or may cause an adverse effect on human or animal health, ground water or the environment.
4. All product made available on the market in Ireland must comply with the classification, labelling and packaging requirements established in: Article 69 of Regulation (EU) No 528/2012; the Chemicals Act 2008 (as amended) transposing Regulation (EC) No 1272/2008; and the classification, labelling and Safety Data Sheet information detailed in the Annex II to this certificate.
5. All biocidal products advertised must comply with Article 72 of Regulation (EU) No 528/2012.
6. A printed copy of the Irish label in accordance with the Annexes of this authorisation must be submitted to the Irish Competent Authority for Biocides prior to any product being made available on the market in Ireland. All product labels must carry the authorisation number of the form: IE/BPA 70469.
7. Safety Data Sheets (SDS) for the biocidal product(s) shall be prepared and made available in accordance with Article 70 of the Biocidal Products Regulation 528/2012 (as amended). Relevant sections of the SDS must be updated post-authorisation in accordance with Annex II of the authorisation certificate. In particular, Section 15 of the SDS should be updated to contain the authorisation number IE/BPA 70469. The SDS must be submitted to the Irish Competent Authority for Biocides and the National Poisons Information Centre of Ireland <http://www.poisons.ie/manufacturers.asp> before the product is made available on the market for sale or use.

8. On an annual basis, details of the quantities of this product (by pack size) manufactured in Ireland, imported into Ireland and/or exported from Ireland must be submitted to the Irish Competent Authority for Biocides by 31 January of the following year.
9. Fees are payable for the maintenance of the product on the Register of Biocidal Products and shall be paid by the 31st December of the following year and each year thereafter.

(b) Amendments to Authorisation

The following amendments apply to the conditions of authorisation for the biocidal product family:

Issue	Re-issue	Version	Modifications applied²
01/11/2019	-	1.0	Original certificate
	02/07/2020	1.1	Update of address on Authorisation Certificate

ANNEX II**Summary of Product Characteristics (SPC) for a biocidal product family**

The following conditions, outlined in the summary of product characteristics (SPC), apply to the authorisation for the biocidal product family as provided for in Article 22 of Regulation (EU) No 528/2012 as amended. The authorised biocidal product family SPC file is referenced below:

Issue	Re-issue	Version	File Name
01/11/2019	-	1.0	spfbc_Micronclean IPA family_IE_en_201910311704
