Extended expiry date for COMPO Austria GmbH – Trinol Mauråte granulat – NO-2019-0161

With reference to R4BP3 communication (no. NRN-C-1651130-09-00/F) dated 13 March 2023, concerning the expiry date for the biocidal product Trinol Mauråte granulat, NO-2019-0161.

Decision

The Norwegian Environment Agency hereby grants COMPO Austria GmbH a postponement of the expiry date for the authorisation for the biocidal product Trinol Mauråte granulat on the Norwegian market. The expiry date is postponed from 4 May 2023 to 4 May 2024.

The product is mutual recognised in Norway under the terms and conditions as described in the final Norwegian Summary Product Characteristic (SPC) attached to the R4BP3 asset case no. NO-0004521-0000. The final SPC can also be found on the website of the European Chemicals Agency here: [Information on biocides - ECHA \(europa.eu\)](https://echa.europa.eu).

The grant of extension of expiry date is given in accordance with Article 5 of Regulation (EU) No 492/2014 (renewal of authorisations of biocidal products).

Background

Regulation (EU) No 528/2012 (the Biocidal Products Regulation, BPR), is implemented in Norwegian law through the Norwegian Biocide Regulation of 18 April 2017 No 480.

The reference Member State for the renewal of the biocidal product, Austria, have extended the authorisation for Trinol Mauråte granulat until 4 May 2024. For authorisations that are mutual recognised, it is agreed among the Member States that these authorisations shall have the same expiry date as the national authorisation granted by the reference Member State (c.f. CA-Sept14-Doc.5.7 –Final).

The current expiry date for the Norwegian authorisation is 4 May 2023.

Evaluation by the Norwegian Environment Agency

This decision is based on the evaluation of the reference Member State.

Right to appeal

This decision may be appealed to the Ministry of Climate and Environment.

An appeal shall be submitted to the Norwegian Environment Agency within three weeks after receipt of this letter.

Best regards

Norwegian Environment Agency
