No (10-14 17.5)2-54587

13<sup>th</sup> November 2019

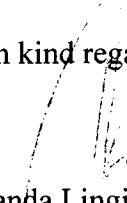

Ref. Acceptance of biocidal product's "RADAR" notification.

Dear Sirs,

National Public Health Centre under the Ministry of Health evaluated and accepted your notification concerning placement on Lithuania's market biocidal product "RADAR", authorized by French Competent Authority under the No. FR-2009-0001.

Above mentioned product with No. FR-2009-0001 may be made available on Lithuania market until the date set in French Competent authority issued authorisation certificate. Biocidal product "RADAR" under the number of (10-14 17.5)BSV-1558(A-14PAP501813/A-19-12) can still be made available on Lithuanian market until 1<sup>st</sup> of October, 2020.

With kind regards,

  
Rolanda Lingiene  
Director of Vilnius Department
