On administrative changes of the national authorisation

Latvian Environment, Geology and Meteorology Centre (LEGMC) on 28 August 2020 received the application for administrative changes via Register for Biocidal Products (Case No. BC-CW061526-17) submitted according Article 6 of *Commission Implementing Regulation (EU) No 354/2013 of 18 April 2013 on changes of biocidal products authorised in accordance with Regulation (EU) No 528/2012 of the European Parliament and of the Council* for the biocidal product family **Creosote_EN_13991_BPF** with authorisation number **LV/2017/MR/015**.

LEGMC evaluated the application and agrees with proposed changes:

- *Change in the name or address of the authorisation holder, which remains in the EEA:*
The name of the biocidal product family authorisation holder RÜTGERS Germany GmbH was changed to **Rain Carbon Germany GmbH**.
- *Change in the administrative details of a manufacturer of the active substance, where the manufacturing location and process remains unchanged and the manufacturer remains listed in accordance with Article 95(2) of Regulation (EU) No 528/2012:*
The name of the active substance creosote (CAS No 8001-58-9, EC No 232-287-5) manufacturer RÜTGERS Germany GmbH was changed to **Rain Carbon Germany GmbH**.

This letter is integral part of authorisation of biocidal product through mutual recognition (21 June 2012, letter No. 4-6/876).

LEGMC would like to ask Rain Carbon Germany GmbH to notify the above mentioned information down to supply chain.
